Select the location for the power supply

Also use track segments of 3 and 4 meters in my design..

Your configuration  XTS-track

Colour: White

Shape: L

Format: 200 X 200 cm.
Total 400 cm.

Mounting:

! Important:

1.

The blueprint is shown in top view, similar to a regular ground plan. The measurements in the blueprint include the feeds and connectors.

2.

The tracks are shipped in whole meters. The tracks can be cut to length with a saw.

BACK

NEXT

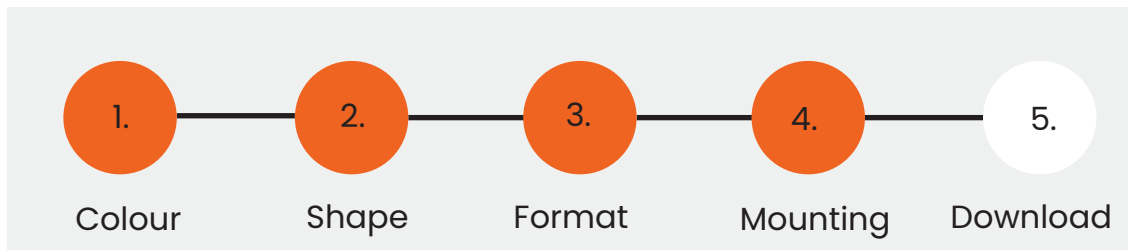

The tracks are shipped in one- and two-meter pieces which are connected using the connectors. Do you need a different length? No problem. Please contact us for the possibilities.
